**Vendor:** VMware

**Exam Code:** 1V0-605

**Exam Name:** VMware Certified Associate 6 – Desktop and Mobility Fundamentals

**Q&As:** Demo

**QUESTION 1**

Which key element of VMware Horizon Desktop as a Service (DaaS) given as an IT administrator access to an administrative portal from which they can manage the virtual desktop environment?

- A. Security
- B. Enterprise Integration
- C. Tiered Role Separation
- D. User Experience

**Correct Answer: C**

**QUESTION 2**

Which statement reflects an Accessibility challenge that could be addressed by a new VMware Horizon (with View) deployment?

- A. To further protect our data, we need to make sure that even if someone gets an authorized user's credentials, they can't login with them.
- B. Physical computers cost so much to buy, maintain, and replace. It would be great to have a simple device that would last for years and require little if any maintenance effort.
- C. Our existing storage device is already heavily used; we want to minimize the additional space required for the new desktop virtualization system.
- D. Some users have graphics Intensive Jobs and need the highest quality and performance possible.

**Correct Answer: B**

**QUESTION 3**

Which component of VMware Horizon Blast will provide a consistent experience (to end users regardless of the type of device or location of the device being used)?

- A. Blast 3D
- B. Blast Live Communications
- C. Horizon Clients with Blast
- D. Blast Local Access

**Correct Answer: D**

**QUESTION 4**

How are VMware Horizon 6 storage policies applied to virtual desktops that are located on a Virtual SAN distributed datastore?

- A. The policies are automatically and individually applied to non-persistent virtual desktops.
- B. The policies are configured using a Virtual SAN custom storage policy.
- C. The policies are upon deployment of a virtual desktop from a linked clone.
- D. The policies are automatically and individually applied per disk.

**Correct Answer: D**

**QUESTION 5**

An administrator has received complaints from several mobile and remote branch office users regarding performance. Users report extremely slow access when connecting to the company VPN to take backups and snapshots.

Which solution overcomes this issue and allows end users to backup and synchronize devices to the datacenter without a VPN?

- A. VMware Horizon Security Server
- B. VMware View Composer

- C. VMware Mirage Gateway
- D. VMware vRealize Automation

**Correct Answer: C**

**QUESTION 6**

A medium sized company manages over 1,000 virtual machines, which are running on six ESXi hosts in a VMware Horizon 6 infrastructure.

The existing storage array is suffering from performance and capacity issues. The company is considering deploying a new storage array, but is concerned about the cost.

Which VMware solution offers a software-defined storage platform that is fully integrated with vSphere and can be deployed without the need for an external storage array?

- A. iSCSI
- B. Fibre Channel over Ethernet
- C. Virtual SAN
- D. VMFS

**Correct Answer: B**

**QUESTION 7**

An administrator is using VMware Mirage to create a base operating system image, but is concerned that deploying this operating system to different types of hardware can cause many problems.

What two tasks can an administrator implement to avoid this issue? (Choose two)

- A. Use a specific Application Layer driver during deployment.
- B. Create operating system image via Sysprep with all pre-installed drivers.
- C. Deploy, maintain and use a Driver Library.
- D. Allow users to install their own drivers and applications.

**Correct Answer: AC**

**QUESTION 8**

A manager is planning next year's budget and is concerned that desktop computers cost too much money for the length of time they are able to be used. The manager wants a solution that is not just simple, but one that will last for years with little required maintenance.

Which type of business challenge is the manager being faced with?

- A. Security
- B. Management
- C. Accessibility
- D. Application

**Correct Answer: C**

**QUESTION 9**

An administrator wants to minimize the load caused by virtual desktop traffic. In order to maximize performance on an excessively taxed infrastructure, which type of business challenge is the administrator faced with?

- A. Availability
- B. Security
- C. Application
- D. Management

**Correct Answer:** B

**QUESTION 10**

Which two actions can an administrator deploy a ThinApp application to a group of users, while also providing reporting and license compliance functionality?

- A. Deploy the ThinApp application using vmw.iio view Administrator.
- B. Deploy the ThinApp application using VMware Workspace Portal
- C. Deploy the ThinApp application using Microsoft Group Policies.
- D. Deploy the ThinApp application using VMware Update Manager.

**Correct Answer:** BD

**QUESTION 11**

An administrator needs to deliver secure virtual desktops with access to IT resources for offshore contract employees. Since the employees are far from the office, the administrator must ensure a seamless user experience, as the company will not deploy additional resources for these users.

Which solution offers the functionality required by the company?

- A. VMware vRealize Automation
- B. VMware Horizon Desktop as a Service
- C. AirWatch Secure Content Locker
- D. VMware Horizon (with View)

**Correct Answer:** A

**QUESTION 12**

Which three products have been integrated into VMware Workspace Suite to power virtual workspaces and combine application and data management on devices? (Choose three.)

- A. vRealize Automation
- B. AirWatch Mobility
- C. VMware Workspace Portal
- D. VMware Horizon (with View)
- E. vCenter Server

**Correct Answer:** ABD

**QUESTION 13**

A medium sized company wants to deploy on-premises desktops and application a unified workspace. The company has chosen to deploy Virtual SAN and offer a unified workspace.

Which VMware Horizon edition does the company need to purchase?

- A. VMware Horizon DaaS
- B. VMware Horizon Enterprise
- C. VMware Horizon Advanced
- D. VMware Horizon View Standard

**Correct Answer:** C

**QUESTION 14**
