Vendor: HP

Exam Code: HP2-B117

Exam Name: Selling Imaging and Printing Fundamentals

Version: Demo

Question No : 1

What purpose does HP Embedded Capture serve in a network environment?

- A. Enhances authorization and authentication features
- B. Manages the HP imaging and printing fleet
- C. Enforces IT baseline policies
- D. Enhances digital sending capabilities

Answer: D

Question No : 2

What makes an HP MFP easier to use and more productive than using the separate devices that it can replace?

- A. Many HP MFPs are Common Criteria Certified, and many more are in evaluation for Common Criteria Certification under the IEEE P2600 Protection Profile.
- B. HP MFPs are compatible with the HP eSupplies app, which finds the right cartridge for your MFP from the palm of your hand.
- C. An HP MFP has a single, easy-to-use interface that provides access to its many features and reduces the amount of training necessary for users.
- D. HP MFPs conform to international energy standards, including Energy Star and Blue Angel, reducing stress on the power grid.

Answer: C

Question No : 3

What is a customer giving up when choosing non-HP supplies for use in HP printing devices? (Select two.)

- A. Printing speed
- B. Input and output capacity
- C. HP's promise of discounts on future purchases
- D. HP's promise of industry leading print quality
- E. HP's promise of durability and reliability

Answer: D,E

Question No : 4

Which feature of many personal HP MFPs and other HP MFPs enables printing from almost any location, from almost any capable device?

- A. HP ePrint
- B. HP LaserJet modulation
- C. HP aPrint
- D. HP BiDi

Answer: A

Question No : 5

What does the HP Embedded Web Server do?

- A. Shows which devices are available for printing
- B. Automatically notifies the IT department when an imaging or printing device is in use
- C. Automatically configures settings upon connection to the network
- D. Enables remote management of the imaging and printing device

Answer: D

Question No : 6

Which advantage applies to an MFP?

- A. It can print faster than a single-function printer can.
- B. It takes up less floor space than individual devices for faxing, scanning, printing, and copying.
- C. It uses fewer supplies than a single-function printer does.
- D. Once it has reached its monthly print volume, it automatically turns off to limit excess copy charges to the client.

Answer: B

Question No : 7

What are HP Care Pack services?

- A.** Bundled genuine HP supplies and maintenance kits provided to customers at specific service intervals
- B.** HP standard limited warranties for devices, supplies, and customer replaceable parts, including full replacement services where required
- C.** Bundled genuine HP supplies sold contractually
- D.** Support packages that extend and enhance hardware and software service beyond the scope of the included warranty

Answer: B

Question No : 8

What are HP Managed Print Services?

- A.** An HP service for businesses who need supplies when they need them, regardless of time of day, weekends, or holidays
- B.** An HP software program that remotely manages what end users are printing
- C.** An hp.com database full of answers to customer inquiries about anything from technical issues, to putting new life into printed documents and photographs
- D.** An HP program that provides genuine HP supplies, maintenance, and break-fix services, plus drives continual improvement for customers across the customer's needs for imaging and printing

Answer: D

Question No : 9

Why is the growth rate of mobile scanners higher than it is for any other segment in the scanner market?

- A.** Because the market for network scanners is saturated
- B.** Because mobile scanners use less energy than other scanners do for the image quality they provide
- C.** Because mobile scanners are less expensive than MFPs are
- D.** Because mobile workers use traditional scanners more often

Answer: A

Question No : 10

What are some customer benefits of purchasing an HP DesignJet printer rather than outsourcing wide format printing? (Select two.)

- A. Reducing energy consumption
- B. Configuring and maintaining the printer
- C. Controlling the customer's intellectual property
- D. Printing on demand
- E. More choices of media

Answer: C,D
